

MARCH 2026

Hillside Terrace
SENIOR LIVING

Happy Spring? Even though both the groundhog in Pennsylvania, and Woody the woodchuck here in Michigan saw their shadows, we were hoping for an end to this wild winter.

Don't forget to spring forward and change your clocks on Sunday March 8th at 2 AM. We are excited to be heading into the longer days and soaking up as much sunshine as possible.

We are happy to continue supporting Dementia Friendly Services which are the generous people that put together the movie we go to at the Emagine Theater in Saline. We would like to see our relationship with them grow and try to join in on their other programs such as their memory café's.

There has been a lot of interest from our residents asking for some educational programs. We will be teaming up with OLLI for their lecture series starting in the fall semester.

Happy St. Patrick's Day and welcome Spring to all new Hillside Family additions!
